Η συνταγή για την κάθε σοκολάτα και τα λικέρ σοκολάτας Mozart που σας προσφέρουμε είναι μια μοναδική δημιουργία που συνδυάζει εξαιρετες πρώτες ύλες, με εκλεπτυσμένα συστατικά κορυφαίας ποιότητας, που συνθέτονται αρμονικά και με πάθος από φημισμένους Master Chocolatiers και Master Distillers.

Κάθε σοκολάτα και λικέρ που προτείνουμε στον κατάλόγο μας, τελειοποιείται με δεξιοτεχνία με απώτερο σκοπό να σας προσφέρει μια αίσθηση γευστικής πληρότητας και μια αξέχαστη και λαχταριστή εμπειρία σοκολάτας!

Pecarée®

"I will sin"

Pecarée® ultrathin patented truffle tablets

The highest art of the confectioner.
The shell of this ultrathin truffle tablet was designed as thin as possible.
The finest spirits, such as Gin, Marc de Champagne, Prosecco or a cherry liqueur, give the truffle filling the special taste and smoothness.

The chocolates are preserved with brandies, liqueurs and other alcoholic beverages. This also occurs because most of these delicious Pecarée® are made with cream. They are so tender and creamy that it would be a sin not to eat them.

By the way, **Pecarée** in Spanish stands for **"I will sin"**.
