

## NEW SHORT COURSE “INTRODUCTION TO WINE”

Do you want to learn more about wine in just 3 sessions? This exciting course will guide you on what to look for, show you how to choose better wines, and start your own journey of discovery in the wine world.

If you like wine and you want to understand why – then this course is for you.

We will taste 25-30 excellent wines from famous regions and winemakers from around the world and provide many helpful guidelines that will enhance your appreciation for wine.

You will learn how to taste wine, the proper way and discover all the major wine regions in a light hearted and interesting way.

Among others, the course introduce you to the following subjects:

- Quality wine appreciation parameters.
- Wine's life circle and evolutionary characteristics.
- Major grape varieties and their characteristics.
- How to read the bottle label.

- How to choose wine in a restaurant.
- Learn how to pair wine with food.
- Servicing wine, the right temperature and servicing order.
- Useful wine accessories.
- Cellaring wine, cellar conditions and the creation of a personal cellar.

The total duration of the 3 sessions is about 8-9 hours.

**FEES: €200**

We run this course in Greek language regularly and in English once we have a group of about 15 people.

For more information and dates of our next course in English language please contact SPECTUS wine shops in Limassol 25341525 and Nicosia 22511521.
